Class Load

Two summer terms are equivalent to one quarter. The maximum load for a graduate student (any student registered for a graduate course) is 16 credits, not to exceed 9 credits in any one summer term. All undergraduate students accepted in a major program or intending to major in a program wishing to register for more than 10 credits per term must secure permission in advance of registration from their college dean. All undergraduate students undecided about a major must secure permission for more than 10 credits per term from the Assistant Vice President for Academic Affairs.

Class Numbering System

011-099 = No Credit
100, 200 = Freshmen and Sophomores
300, 400 = Juniors and Seniors
500, 600 = Graduate

College of Business Requirements

A student must be admitted to pre-business or be admitted to a major and have a 2.5 GPA to enroll in Accounting 291, 292, 293; BCIS 150, 240 and 241; Marketing 235. The major need not be offered by the College of Business. To enroll in 300 and 400 level courses offered by the College of Business a student must be admitted to a major (any major) and have completed 96 credits and have a 2.65 GPA. Students admitted to a major or minor requiring 300-400 level business courses may apply for an exemption in Room 123, Business Building, if they do not have a 2.65 GPA.

Dropping (withdrawing from) Courses

(Hours: 8:00 a.m. - 4:00 p.m.)

You may drop a course received at advance registration any time before you pay fees without paying for the course (deadline, June 2). You also may drop a course and receive a full refund on or before June 12

for first term and July 17 for second term. No refunds will be made for courses dropped after June 12 for first term and July 17 for second term unless all courses are dropped (see refund policy, financial section).

You may withdraw from a full-term course (without refund) before June 16 for first term and July 21 for second term without the signature of the instructor. The instructor's signature is required for full-term courses dropped (withdrawn) from June 19 through July 10 for first term, and July 24 through August 14 for second term. You should not wait until the last day to discuss this matter with the instructor. The instructor's signature is not required to withdraw completely from the university or to drop an evening or extension course; however the deadlines still apply. The instructor's signature is required after June 19 for first term and July 24 for second term, to drop a class which meets less than full term. The Drop/Add form must be signed by the instructor and processed by the Office of Records and Registration before 80% of the class meeting days have elapsed.

Free Time Blocks (Advance Registration Only)

The class schedule lists a series of free time periods available for blocking out segments of the day. The time block listings are found in front of this class schedule. In requesting the free time blocks you should realize that:

- A. Designating free time means that you **WILL NOT** be assigned any courses during that time.
- B. Requests for free time decrease the chances of having your schedule completed.

A free time block should be requested only when absolutely necessary. List the requested time block under the First Choice section of the Course Request card. You should block out the entire term if you are unable to attend classes during the term. Use 9990 if you cannot attend the first term and 9995 if you cannot attend the second term.

Major Students Only

To enroll in courses listed as *major students only*, you must be officially admitted to a major, minor or program in that department. Students who have not been officially admitted to the major or minor of the department may not register for these classes without approval of the department chairperson.

Meeting Times

0800 = 8:00 a.m.

1300 = 1:00 p.m.

1800 = 6:00 p.m.

"Lab Arranged" means that additional meeting times will be scheduled on an individual basis.

Day Classes = Classes that meet 0800 through 1650.

Evening Classes = Classes that begin at 1700 or later.

Courses that meet other than for the full quarter or the first half or second half are listed with the Begin and End Dates in the course schedule.

M = Monday; T = Tuesday; W = Wednesday; R = Thursday; F = Friday; S = Saturday.

Prerequisite

An asterisk (*) behind the course number indicates there is a prerequisite for the course which is listed in the *Undergraduate Bulletin* or the *Graduate Bulletin*. You must have the instructor's permission to register for a class if you are not currently registered for or have completed the prerequisite.

Rebates for Interns and Student Teachers

Interns and student teachers may apply for a rebate of a portion of the student union and activities fees they have paid if their duty station is located more than fifty (50) miles from St. Cloud (as defined by the State of Minnesota Mileage Chart). The rebate forms are available in Atwood Ballroom at advance registration or in the Administrative Services Building, Room 117. The Rebate Request Form must be returned to AS-117 no later

than the final day of the student teaching or internship assignment.

Registration Policy for Previously Attempted Courses

The following courses will not be scheduled if they have been previously attempted: ACCT 291, 292; BCIS 150, 240, 241; BEOA 309; CSCI 270, 272, 275, 280, 383; EE 251, 252; ENGL 162; MATH 130, 131, 241, 254; MCS 268; MGMT 361, 363, 371; MKGB 235, 320; POL 313, 413; SPC 161; TECH 151, 155, 170, 175, 305, 317, 326, 327, 329, 374. A withdrawal is considered as an attempt. You may attempt to register for these courses after advance registration.

Registration Priority

Physically handicapped students may be granted a registration priority for advance registration. They should report to the information table at advance registration if they have not received priority in the past.

Advance Registration (May 5)

New special, new graduate, former and currently enrolled students are encouraged to take advantage of advance registration. This will allow the best possible class schedule. Classes with low enrollment may be cancelled.

1. The following students who are eligible to attend St. Cloud State University may take advantage of advance registration.
 - A. Students not on academic probation enrolled in classes during spring quarter. Day students must present some form of identification (College ID, driver's license, permit to register, etc.) to receive registration materials. Materials will be completed at the Atwood Center Ballroom from 8:30 a.m. to 2:30 p.m. Advance registration ends May 5.
 - B. Students wishing to enroll in evening and off campus courses should see the appropriate class schedule or section of this booklet for registration instructions.
 - C. New special, new graduate and former students not enrolled in day classes spring quarter 1989 should complete the Course Request Form in the back of this booklet. Advance registration requests must be postmarked no later than May 5. Forms received after that date will be returned.
 - D. New entering undergraduate students will receive registration instructions when accepted for admission to the University and may not advance register.
2. Instructions for preparing the course request form.
 - A. Prepare a "Working Schedule" (see page 6) to make certain you do not schedule a time conflict. Permission from one instructor must be presented at advance registration to schedule a time conflict. Day students should reg-

ister for their evening on-campus classes at the same time they register for their day classes.

- B. Write your name and social security number in the appropriate space provided on the working schedule form. If you do not have a social security number, you must report to the Office of Records and Registration. Your registration will not be processed unless you have a social security number or nine digit number approved by that office.
- C. List the four digit course reference number, department name, course number, section, credit, class time and class days (See Class Numbering System).
- D. *For each first choice, list an appropriate alternate course in the alternate section of the working schedule form. Do not use different sections of first-choice courses as alternate courses.* First choices will be scheduled first. When a first choice is not available the program will schedule you in a different section of the same course which meets at the same time. If that is not available or there is no other section at the same time it will select another section that does not conflict with your other scheduled classes. If that fails (no section available) it will go to your alternate classes and repeat the process.
- E. The class schedule has a series of free time periods available for blocking out segments of the day or a term. However, in doing so, you should realize that:
 1. Designating free time means that you will not be assigned any courses during that time.
 2. Requests for free time decrease the chances of having your schedule completed.A free time block should be requested only when absolutely necessary because of commuting problems, a work schedule or other university obligations. *You should block out the*

entire term if you are unable to attend classes during that term. Use 9990 if you cannot attend the first term and 9995 if you cannot attend the second term.

- F. Complete the course request form. Print name and social security number on the course request form. Carefully copy the course reference numbers from your working schedule. Make certain you place your first choice of classes on the left and your alternate courses on the right. An alternate course must be on the same line as the first choice course. Make certain you have listed the courses and free time blocks correctly for the proper term. Do not schedule time conflicts within the same term.
- G. If you wish to audit a course (receive no credit), check the appropriate box after the course reference number.
- H. Your approved class schedule and fee statement will be mailed to your local address on May 15. Fees must be paid by June 2 for first summer term and July 7 for second term.

Evening Class Registration

Evening students who did not advance register or did register but did not pay fees by June 2 for first term and July 7 for second term may register by calling the Office of Records and Registration (612-255-2111) anytime from May 19 but no later than June 16 for first term and after May 19 but no later than July 21 for second term (Hours: 8:00 a.m. - 4:00 p.m.). (Evening classes will begin June 12 for first term classes and July 17 for second term classes.)

p.m. from May 19 through June 2 and between 8:00 a.m. and 4:00 p.m. from June 19 through June 30 for second term. **THESE ARE THE ONLY DATES AVAILABLE FOR TELEPHONE REGISTRATION EXCEPT FOR EVENING CLASSES.**

Workshops, Institutes and Tours Registration

1. Registration for on-campus summer workshops, institutes and tours *NOT* listed as "Permission Form Required" shall follow all dates, deadlines, and procedures as listed under Advance Registration or students may register the first day of class. Please refer to the section entitled "Adding and/or Dropping Courses."
2. Registration for those workshops, institutes and tours carrying the designation "Permission Form Required" are courses in which the instructor's permission is required for registration, therefore, a special registration procedure has been established.
